

Dear Parents,

We have really appreciated the time, effort and assistance of our Parent Helpers for this Term. For Term 3, the Senior Unit Teachers have decided that we would like to offer specific times and workshops to parents so they can build relationships with specific groups of students and with the workshop teacher. We think these changes will ensure an even more successful Parent Helper program. Whilst we are aware you are all busy people, we would appreciate some of your time to help in the Senior Learning Unit. If you would like to be involved in a workshop that your child is involved in please specify this when you return this note.

Thanks You

Senior Unit Teachers

Please write your name in the timetable below to show us when you would be available to help.

	Monday	Tuesday	Wednesday	Thursday	Friday
