

## Saturday Night At The Dinosaur Stomp

### Maths Activities

#### Addition/Counting

Do a counting play –act out the book, be different dinosaurs and count how many of each

Counting- HOW MANY Long necks/Rocks/Stars in the sky/Fireworks/purple dinosaurs in the swamp/babies/teeth/bubbles/stripes/dinosaurs in the congo line

Write you answers in words

Use skip counting to count how many dinosaurs in the book and how many toothbrushes they would need

What skip counting patterns can you make using the book

Count how many sentences/words

Take away 5 sentences how many left

Count rhyming words and pair them up

#### TIME

How long did the party last? How many hours did the dinosaurs stay up for?

Have you been to a party how long did that last?

Make a timetable to show the times that different things happen in the book

Rewrite the book using time clocks- when did the dancing start/when do they fall asleep

#### WEIGHT

How heavy is the heaviest dinosaur (look on the internet)

How many students in JJ would weigh the same as a diplodocus? Guess and check
