

Dear Parents / Guardians,

This term Middle Learning Unit students are undertaking a science based unit as part of their Deep Knowledge Unit. The middles' Deep Knowledge Unit is 'What's the Matter?' and they will be exploring solids, liquids, gases and plasma. As part of their science based Deep Knowledge Unit middle students will be experiencing a science incursion on Wednesday 15<sup>th</sup> October. Prep students will also attend the science incursion as it will provide them with an opportunity to experience science in a fun, safe and interactive setting.

The incursion will be run by Shell Questacon Science Circus presenters. They perform highly motivational demonstration-style science shows. The shows explore the relevance of science and technology in everyday life using familiar everyday items and a touch of theatre to inspire and enthuse. The presentation will last for one hour.

Preps: 9:00 – 10:00am

Middles (3 classes): 10:00 – 11:00am

Middles (3 classes): 11:30am – 12:30pm

The cost per student is **\$5.00** and it is due by **Tuesday 14<sup>th</sup> October**.

Thank you,

Prep & Middle teachers

★ *Every student that attends a show at school receives a complimentary student ticket to explore over 50 hands-on exhibits at Questacon Science Circus' Public Exhibition (see advertisement below).*
