

Dear Grade 6 Parents,

At the end of last term a suggestion was made through the education committee to have a Grade 6 top which the children could wear as part of their daily school uniform.

The top would be the normal red polo top with the Bellaire logo on it, however the Grade 6 top will have printed in white, on the back of the top, all of the Grade 6 children and teachers names.

This top is not compulsory, and is up to parents if you wish to purchase a top. There are two options:

1. You send a **NAMED** Bellaire polo top to school at the cost of **\$6** and the names will be printed onto your existing top.
2. You purchase a new Bellaire top at the cost of **\$** plus the cost of printing of **\$6** and the names will be printed on your new top.

We apologies for the lateness of this note, however unfortunately we did not get this information till the very end of last term and there is a three week turn around with the tops, so we would like to be able to get our orders in this week please.

We are asking all interested parents to please return the slip below to school, in a clearly labelled envelope, by this **Thursday 8th October** with either a **NAMED** Bellaire polo top and the money for printing or money for a new polo top as well as printing.

Thank you for your support in returning your money and forms so quickly. If you have any questions please call Amanda on 0417154230.

Grade 6 Parent Committee

I (parent name) _____ would like to purchase a Grade 6 Bellaire top
for (child's name) _____ in Grade 6__.

(Please circle which ever is applicable)

I have enclosed a **NAMED** Bellaire red polo top and \$6 for the printing

I have enclosed money for a Bellaire Polo top size ____, at the cost of \$____ as well as \$6 for the printing.

My Total Enclosed: \$_____
