SCIENCEWORKS

This term middle students are learning about ENERGY. As part of this topic we will be visiting Science Works in Spotswood, Melbourne.

Science Works offers a range of 'Energy' experiences for our students, including " *The Electrical Energy, Safety and Lightning Show*" & " *Simple Machines Show*".

Location of excursion:	Science Works
Date of excursion:	Wednesday 28 th October 9am - 3:20pm
Method of transport:	Bus
Cost of excursion:	\$14
Uniform requirements:	School Uniform must be worn
Please bring:	A backpack to fit your snack, lunch and a drink. You will be responsible for your belongings during the day.

Payment should be sent to your child's classroom teacher by Monday 26th October. Please return the payment envelope and remember to sign and date the back and include an emergency contact number.

Please read the medical caution below regarding the *The Electrical Energy, Safety and Lightning Show*. Please speak to your child's teacher if you have any concerns.

Medical caution

Lightning Room shows use equipment that emit electrical and magnetic fields. Sudden loud noises also occur in the shows. People with any of the following may be at risk:

- heart pacemakers
- heart conditions
- cochlear implants
- hearing aids and hearing problems
- prostheses (including internal metal wires and pins)
- very young children.

We strongly suggest that people who could be at risk do not attend the show.
